About the Institute:
 Indian Institute of Technology Bhubaneswar was set up by the Government of India in 2008. Currently, the Institute offers undergraduate programmes in Civil, Computer Science & Engineering, Electrical Engineering, Mechanical Engineering, and Chemical Engineering. In the academic year 2015-16, the Institute will offer B. Tech. programmes in Civil, Computer Science Engineering and Mechanical Engineering with an intake of 60 students in each discipline and 20 students in Mech. The Institute promotes a holistic, interdisciplinary academic environment by encouraging the academic growth and the concept of Schools rather than Departments. Currently, the Institute has School of Basic Sciences, School of School of Electrical Sciences, School of Nanoscience, Social Sciences and Management, School of Infrastructure, School of Mineral, Metallurgical and Materials Engineering.
